Date :- 24/09/2021

75 Azadi Ka Amrit Mahotsav

We will organize Ideathon on following broad topics but not limited to this:

- Electrical and Hybrid Vehicle Infrastructure
- Waste Management
- Indigenous toy design and development
- Sustainable Organic farming techniques
- Smart Infrastructure for Healthcare
- Safety Issues and Challenges.
- Any other innovative idea considering recent problems

- Top 3 innovative ideas will be awarded with the cash prize of Rs. 5000, Rs. 3000, Rs.2000 respectively, and also get selected for start-up incubation at IITRAM Incubation Cell by providing the financial support up to Rs.2 Lakh for prototype development.
- The entries which will be selected in top six will not undergo another technical evaluation round in the next submission cycle.

Venue :-
Institute of Infrastructure, Technology, Research
And Management
